Special Bonus Offer!

It Holds Good Until the First Count On Wednesday, November 5.

When Votes Will be Counted and a \$10.00 Gold Piece Will be Awarded to the Lady Having the Most Votes.

The big prize voting contest is attracting more attention every day. so as incentive to all contestants we have decided to give the following special votes:

For every seven new subscriptions 4,000 extra votes, making a total of 8,200. These subscriptions need not be for one party for seven years, or for seven different people for one year, but must be new subscriptions for seven years, and must be handed in all at one time.

For every seven renewal subscriptions 3,000 extra votes, making a total of 6,500. These may be for seven different people, or all for one, but must be all for renewals and must be handed in all at once.

The above special offer will hold good until the first count on November 5, at which time votes will be counted by the judges who will award \$10 in gold to the contestant who receives the largest number of votes up to the first count. The ballot box will close promptly at 7:30 p. m. on Wednesday, November 5.

Remember the \$10 in gold to be given to the contestant having the highest number of votes on November 5 is a special prize. It will in no way effect the standing of the winner of the contest.

A few contestants thought that the winning of the \$10 would effect the votes of the piano. It will not. All votes found in the box on Nov. 5 will be included in the final count which will decide the winners of the piano and other prizes.

Remember that each subscription you receive—either new, renewal or back—will get a certain number of votes with each year and those votes with an extra bonus vote also.

Get busy and vote for your choice. This contest will be conducted squarely and no partiality will be shown to anyone. Do it now and help some one reap the benefit of the liberal offer.

Remember to have your friends trade with the merchants who are giving coupons.
